Our Import - Division provides two major kinds of services;

A. Customs Brokerage

Provide the clearance handling for your all import shipments.

- * On-line EDI system
- * Document processing
- * Clearance handling
- * Delivery service with all kind of transportation modes to all major cities in Indonesia, up to consignee's door

B. Rush to Door

Which provide to importers with the easiness and fastness of the clearance process. We offer the simplicity of the import process to all kind of importers.
